Headteacher's Message

Dear Parents and Carers,

As we reach the end of the spring term, I want to thank you for all your support. It has been a busy and exciting week in school. The police visited EYFS to talk to the children about their important role in the community, which the children found both engaging and inspiring. We also enjoyed seeing the wonderful creativity shown in our Easter egg competition.

A special mention goes to the children who took part in Telford Sings. They represented the school beautifully, and we are incredibly proud of their enthusiasm and confidence.

We hope the Easter break brings some sunshine for you to enjoy together as a family. I wish you and your families a happy and peaceful Easter holiday. We look forward to seeing the children back in school on Tuesday 14th April.

Warm wishes,

Mrs Angeloff

A Busy and Exciting Week in EYFS!

Visit from our Local Police Officers

The children were thrilled to welcome two police officers into EYFS to talk about their important role in keeping our community safe. The children especially loved trying on the real police helmets and jackets — lots of proud smiles and excited chatter as they explored the equipment up close!

Family Easter Crafts

Later in the week, Nursery families joined us for a fun-filled Easter craft session. It was lovely to see children and grown-ups working together to create colourful Easter-themed art. The room was full of creativity! Thank you to everyone who attended — your enthusiasm made the session a great success.

Telford Sings

Some of our Year 5 and Year 6 children took part in Telford Sings at Charlton Secondary School, and they did a wonderful job. They learnt the songs and the actions beautifully, performing with great enthusiasm and confidence. It was a truly lovely evening, and we are very proud of them all.

Celebrating Success!

Congratulations to Sylvia and Nyla Jackson!

We are incredibly proud of Sylvia and Nyla Jackson, who both shone brightly at their weekend cheer and dance competition.

Sylvia impressed the judges with outstanding performances, earning 2nd place in Cheer, 1st in Pom, 2nd in Lyrical, and 1st in Hip Hop.

Nyla also delivered fantastic routines, achieving 1st place in Cheer with a Hit Zero, along with 1st in Lyrical and 2nd in Pom.

Both girls demonstrated wonderful dedication, teamwork, and school spirit. Well done, Sylvia and Nyla — you've made our school very proud!

A Big Thank You!

We would like to extend a heartfelt thank you to Charlie Hill's mum and her work place 'Ironbridge Interiors' for generously donating the Easter eggs for our Easter Egg Competition prizes.

Their kindness and support helped make our celebrations extra special, and our pupils were absolutely delighted.

Thank you for helping us bring a little more joy to our school community this Easter!

A Book for Every KS1 Child

A Book for Every KS 1 Child

When I heard that some children don't own a book, I thought,

"We should give them a book!"

That's why I wanted you to have this one— as a special gift from me to you.

I love writing stories, and I believe every child should have a book to read, enjoy, and keep forever. I hope All Aboard takes you on a fun adventure— and maybe even inspires you to make up your own stories too!

Remember:

When you try new things and follow your dreams, it can make you feel happy, proud, and strong inside. And when you feel strong inside— you can do anything, even when things feel tricky!

Happy reading—
and enjoy the journey!

With a big smile,

Michael McCarthy
Author of All Aboard

thosecleverdogs.com

All KS1 children will be bringing home a free book today.

Reading at home is really important—it helps children grow in confidence, learn new words, and enjoy stories. Just a few minutes of shared reading each day can make a big difference. We hope you enjoy the book together!

Happy Reminder: PD Day - Monday 13th April!

Just a quick heads-up that Monday 13th April will be a Professional Development (PD) Day, so school will be closed to pupils.

While the children enjoy an extra day at home, our wonderful teachers and teaching assistants will be busy taking part in safeguarding training—helping us make our school an even happier, safer place to learn and grow!

Thank you for your support, and we can't wait to see all our pupils back on Tuesday 14th April, rested and ready for a great week ahead!

After-School Club Sign-Ups

A gentle reminder to all parents and carers that registration for our after-school clubs closes on Sunday, 12th April. If you haven't already done so, please make sure to sign up before the deadline to secure your child's place.

Thank you for your support!

Lost Bike - Please Help

A black and gold bike was taken from outside the kitchen area on 13th March. If anyone saw anything or has any information that might help locate it, please contact the office. Your assistance would be greatly appreciated.

Attendance Matters

Every day counts!

At William Reynolds Primary School, we know that good attendance makes a big difference to children's learning, confidence and friendships.

When children miss school, they miss out on important learning and can find it harder to keep up.

Why attendance matters...

- Builds confidence and routine
- Supports learning and progress
 - Helps children develop friendships
- Prepares children for the future

If you need support with attendance, please speak to us—we are here to help.

What Parents & Educators Need to Know about YOUTUBE KIDS

WHAT ARE THE RISKS?

As its name suggests, YouTube Kids is a child-friendly version of Google's online video-sharing platform. Its colourful user interface is designed with young people in mind, and it offers a curated, family-friendly experience with features like age-based content settings and parental controls.

INAPPROPRIATE CONTENT BYPASSING FILTERS

YouTube Kids is less likely to show inappropriate material than YouTube, but there have been reports of the app showing age-inappropriate content to young viewers. One investigation found that YouTube Kids had shown videos that promote skin bleaching, weight loss, drug culture and firearms to children as young as two, as inappropriate content had bypassed the platform's algorithms and human moderators.

BE WARY OF ADVERTISING

Like Google's regular YouTube app, YouTube Kids features pervasive advertising before a video plays. While these adverts are designed to be family friendly and are subject to a strict review process, it's worth noting that YouTube Kids collects information around children's viewing to inform targeted content and advertisements.

DESIGNED TO BE ADDICTIVE

YouTube Kids is designed to be addictive. The platform's design features, such as the constant stream of new videos and the reward system of points or virtual stickers, can be very engaging and make it difficult for children to switch off. Research has shown that spending too much time using digital services such as YouTube can lead to screen addiction, affecting children's daily routines, studies, and even their social lives.

SETTINGS CAN BE CIRCUMVENTED

YouTube Kids offers built-in parental controls, enabling you to set screen time limits and curate the content children are able to view; however, children are often more tech-savvy than we think. They can easily bypass or tweak these settings if they have access to the associated Google account password, thereby exposing themselves to age-inappropriate and potentially dangerous content.

AI-GENERATED MISINFORMATION

There is also a risk of children accessing videos that contain disinformation and misinformation. A BBC investigation found that some YouTube channels are using artificial intelligence (AI) technology to create misleading 'scientific' videos that are recommended to children as educational content. These videos included conspiracy theories and ideas that lack scientific backing.

DATA COLLECTION RISK

While there are limits on the data that YouTube can collect on children under 13, children can still inadvertently give away sensitive information when using YouTube Kids. The platform collects data on children's viewing habits, content searches and location, which YouTube and third-party advertisers can use.

Advice for Parents & Educators

PARENTAL CONTROLS

YouTube Kids offers several settings that allow you to manage what content children can view. For example, you can choose what level of content you want them to access, such as 'Preschool' or 'Younger'. You can also turn off the search function, so that only those videos approved by the YouTube Kids team themselves will appear on a child's recommendations list.

CHECK WATCH HISTORY

YouTube Kids has made it easy for you to keep an eye on what the children in your care have been watching on the app. By clicking on the 'Recommended' icon at the top right of the home screen, you can see which videos they've been viewing, and how much of each. If a child watches YouTube Kids while signed into a Google account, you can check their history through Google's 'My Activity' page.

SET TIME LIMITS

The built-in parental controls let you keep a tab on how long children spend watching videos. You can set a timer that limits screen time and disables the YouTube Kids app once a specified length of time has been reached. It's also worth speaking to children about the dangers of spending too much time on YouTube, to ensure they remain focused on other, more important activities.

WATCH TOGETHER

It's important that you try to make YouTube Kids a fun and positive experience for children. One way to do this is by introducing watching sessions, where you all gather around and share the most enjoyable videos that you have recently watched. This can be a great way of giving you both new things to talk about and of keeping an eye on what they're watching.
